

# National Association of Police Organizations 42nd Annual Convention

*Cleveland, Ohio  
Metropolitan at The 9*

The National Association of Police Organizations (NAPO), founded in 1978, remains America's fastest growing, most influential, national police organization. NAPO now represents more than 241,000 active law enforcement officers who belong to more than 1,000 police organizations. NAPO's member organizations include city, county, and statewide organizations, many with memberships in the thousands. NAPO's 42nd Annual Convention will bring together the leaders of law enforcement associations from across the United States.

The convention exhibit area offers a great

opportunity for your company to meet NAPO delegates who recommend and approve equipment and services procurement for their police departments and associations. Sponsoring a social event at the convention is also an excellent way to increase your company's visibility with NAPO members!
