Position	Bill	Date	Sponsor	Title	Summary	Status	Explanation/NAPO Actions
Support	S. 54	1/22/2013	Patrick Leahy (D-VT)	The "Stop Illegal Trafficking in Firearms Act of 2013"	<i>A bill to increase public safety by punishing and deterring firearms trafficking.</i> 10 cosponsors	3/21/2013 Provisions of S.54 are included in S. 649, the "Safe Communities, Safe Schools Act of 2013"	<p>This bill establishes a new Federal criminal offense prohibiting individuals from purchasing a firearm for another person, or attempting or conspiring to do so. The bill imposes strict penalties for violating this law, particularly if the defendant knew, or had reasonable cause to believe that a firearm would be used to commit a crime of violence. The bill also criminalizes smuggling firearms out of the United States to complement existing laws criminalizing the smuggling of firearms into the United States. Additionally, the bill strengthens existing laws regarding the transfer of guns to prohibited persons, and ensures that the law prohibits the sale of guns and ammunition to people who intend to transfer them to criminals.</p> <p><u>NAPO supports increased penalties, at both the Federal and state level, for offenses committed with firearms, and joins other law enforcement agencies from across the United States in support of this legislation.</u></p>
Support	S. 146	1/24/2013	Barbara Boxer (D-CA)	The "School Safety Enhancement Act of 2013"	<i>A bill to enhance the safety of America's schools.</i>	3/12/2013 Reported to the Senate with an amendment in the nature of a substitute and placed on the Senate Legislative	<p>Since 1999 - the year of the shootings at Columbine High School - 262 students, teachers, and others have been killed or wounded in K-12 school shootings. Dozens more lives have been lost due to gun violence on the campuses of America's colleges and universities.</p>

Position	Bill	Date	Sponsor	Title	Summary	Status	Explanation/NAPO Actions
					5 cosponsors	Calendar	<p>The circumstances surrounding each horrible incident are unique, but regardless of the causes, we must agree that our nation's schools should be places of safe learning for children and young adults in every community and on every college campus.</p> <p>The substitute amendment to S.146, (supported by Sens. Boxer, Collins, and Blumenthal), reauthorizes the successful Secure Our Schools Grant Program.</p> <p><u>NAPO joins other law enforcement agencies from across the United States in support of this legislation. NAPO has also voiced its support of providing age-appropriate education for students and citizens regarding how to respond if a shooting occurs.</u></p>
Support	S. 162	1/28/2013	Al Franken (D-MN)	The "Justice and Mental Health Collaboration Act of 2013"	<p><i>A bill to reauthorize and improve the Mentally Ill Offender Treatment and Crime Reduction Act of 2004.</i></p> <p>30 cosponsors</p>	6/20/2013 Reported to the Senate for consideration	<p>People with mental health conditions disproportionately are arrested and incarcerated. Using our criminal justice system as a mental health system does not make sense. The Justice and Mental Health Collaboration Act (JMCA) allows for the improvement of access to mental health services for people who come into contact with the criminal justice system, and gives law enforcement officers the tools they need to identify and respond to mental health issues in the community.</p> <p><u>NAPO is a strong supporter of the Justice and Mental Health Collaboration Program (JMCP), which helps criminal justice and mental health agencies work collaboratively towards better outcomes.</u></p> <p><u>NAPO has advocated for the passage of this legislation during meetings with Congressional staffers, participated in working group meetings with fellow stakeholders, contacted both Senate and House Judiciary Committee members to request support of the bill, and signed the JMCA sign-on letter. These efforts led to the legislation being passed by the Senate Judiciary Committee with strong bipartisan support.</u></p>

Position	Bill	Date	Sponsor	Title	Summary	Status	Explanation/NAPO Actions
							<p><u>Since it was passed by the Senate Judiciary Committee, Senators Tom Coburn (R-OK) and Mike Lee (R-UT) have placed holds on the JMCA. NAPO is working with other stakeholders to contact the aforementioned Senators to request the holds be released so that the bill can proceed through the legislative process. NAPO has also met with Senator Franken's senior staff to strategize ways forward.</u></p> <p><u>Additionally, NAPO has contacted key Republican Senators to request they co-sponsor the bill.</u></p> <p><u>NAPO will continue to aggressively advocate for the passage of this legislation.</u></p>
Support	S. 264	2/7/2013	Debbie Stabenow (D-MI)	The "Excellence in Mental Health Act"	<p><i>A bill to expand access to community mental health centers and improve the quality of mental health care for all Americans.</i></p> <p>21 cosponsors</p>	2/7/2013 Referred to the Senate Health, Education, Labor and Pensions Committee	<p>Members of law enforcement have seen their resources increasingly diverted from public safety in order to address unmet mental health needs. Moreover, the essential public safety net for mental health services has been decimated by years of funding cuts. This legislation helps to close the gaps in the nation's safety net and reinvest in community-based mental health care.</p> <p><u>NAPO demonstrated its continued support of efforts to improve access to mental health services for people who come into contact with the criminal justice system by joining fellow law enforcement organizations in signing the Excellence in Mental Health Act sign-on letter.</u></p>
Support	S. 357	2/14/2013	Benjamin Cardin (D-MD)	The "National Blue Alert Act of 2013"	<p><i>A bill to encourage, enhance, and integrate Blue Alert plans throughout the United States in order to disseminate information when a law</i></p>	7/19/2013 Reported to the Senate for consideration	<p>The National Blue Alert Act of 2013, also known as the "Blue Alert" system, would disseminate information when law enforcement officers are injured or killed in the line of duty.</p> <p>Each day, thousands of Federal, state, and local law enforcement officers put their lives on the line to serve and protect our nation from crime and potential homeland security attacks. This legislation will help to create a nationwide alert system to quickly identify and apprehend suspects when a law enforcement officer is injured or killed in the line of duty.</p>

					<p><i>enforcement officer is seriously injured or killed in the line of duty.</i></p> <p>20 cosponsors</p>		<p><u>NAPO strongly believes this legislation is essential to assist the law enforcement community with quickly apprehending suspects and bringing them to justice before they can do anymore harm. Creating a nationwide system that responds to criminal action against law enforcement officers will ensure the safety of the officers and the public they protect.</u></p> <p><u>NAPO demonstrated its support of this legislation in the Senate by drafting a response letter to Senator Coburn, who submitted a letter for the record to block the passage of the National Blue Alert Act of 2013.</u></p> <p><u>NAPO has also met with key stakeholders, including Senator Cardin's staff and fellow law enforcement organizations, to develop strategies to ensure the passage of this legislation. To garner additional support, NAPO has joined other law enforcement organizations in meetings with staffers for Republican members of the Senate Judiciary Committee, including: Senators Sessions (R-AL), Graham (R-SC), Lee (R-UT), Cruz (R-TX), and Flake (R-AZ).</u></p> <p><u>NAPO's efforts contributed to the National Blue Alert Act of 2013 being passed by the Senate Judiciary Committee with strong bipartisan support.</u></p>
Support	S. 374	2/25/2013	Charles Schumer (D-NY)	The "Protecting Responsible Gun Sellers Act of 2013"	<p><i>A bill to ensure that all individuals who should be prohibited from buying a firearm are listed in the National Instant Criminal Background Check System</i></p>	3/12/2013 Reported to the Senate with an amendment in the nature of a substitute	<p>This legislation would expand the national background check system to include all gun buyers.</p> <p><u>NAPO has been recognized as one of the nation's leaders in the comprehensive effort to make both officers' and citizens' lives safer, and continues to strongly support better and more accurate background checks to keep weapons out of the wrong hands.</u></p>

					<i>and require a background check for every firearm sale. 0 cosponsors</i>		
Support	S.394	2/27/2013	Amy Klobuchar (D-MN)	The "Metal Theft Prevention Act of 2013"	<i>A bill to prohibit and deter the theft of metal, and for other purposes. 4 cosponsors</i>	6/13/2013 Reported favorably to the full Senate (as amended in the nature of a substitute) by voice vote	This legislation addresses the growing problem of metal theft and the risk such theft poses to critical infrastructure. <u>This legislation includes an amendment proposed by NAPO to ensure law enforcement officers are able to access information needed to solve metal theft cases. NAPO formally endorsed the legislation after it was amended to ensure protection of the law enforcement community. The amendment, presented by Senator Amy Klobuchar (D-MN), was accepted by the Judiciary Committee without objection.</u>
Support	S.607	5/19/2013	Patrick Leahy (D-VT)	The "Electronic Communications Privacy Act Amendments Act of 2013"	<i>A bill to improve the provisions relating to the privacy of electronic communication. 3 cosponsors</i>	4/25/2013 Reported to the Senate for consideration	This legislation brings outdated Federal electronic privacy laws into the digital age. The bill makes changes to the Electronic Communications Privacy Act to establish a search warrant requirement for the government to obtain Americans' email and other electronic communications from third-party service providers. <u>As Congress moves forward with reform, NAPO will reaffirm that law enforcement's investigative timelines should not be lengthened by more stringent restrictions on the ability to obtain communications information.</u>
Support	S. 698	4/10/2013	John Cornyn (R-TX)	The "Line of Duty Act of 2013"	<i>A bill to protect prosecutors, judges, law</i>	4/10/2013 Referred to the Senate Judiciary Committee	This legislation: -Creates a new Federal crime for the killing, attempted killing, or conspiring to kill a United States judge, Federal law enforcement officer, or federally funded public safety officer. -Creates a new Federal crime for interstate flight for justice to avoid prosecution for killing, attempting to kill, or conspiring to kill a United States judge, Federal

Any persons contemplating harming an officer must know that they will face serious punishments. Increased penalties can make important differences in the attitude of criminals towards law enforcement officers, and ensure protection of the community.</u></p> <p><u>NAPO's Executive Director traveled to Dallas in May 2013 to participate in a roundtable discussion with Senator Cornyn (R-TX) to review this legislation. NAPO will continue to engage members of Congress to advocate for the passage of legislation, which will add further protections for the law enforcement community.</u></p>
Oppose	S. 779	4/23/2013	Richard Burr (R-NC)	The "Public Employee Pension Transparency Act"	<i>A bill to amend the International Revenue Code of 1986 to provide for reporting and disclosure by state and local</i>	4/23/2013 Referred to the Senate Finance Committee	<p>The Public Employee Pension Transparency Act (PEPTA) does not protect employee benefits, save costs, or result in more transparency. It is an inappropriate Federal mandate that imposes costly regulation and threatens to tax state and local government bonds.</p> <p>PEPTA mandates a costly and complex layer of Federal reporting on top of existing state and local</p>

					<i>public employee retirement pension plans. 2 cosponsors</i>		<p>accounting and reporting. PEPTA gives Federal regulators sweeping powers to impose duplicative requirements on State and local governments already struggling to comply with existing costly Federal paperwork burdens. Also, PEPTA threatens far-reaching and unintended consequences for the municipal bond market and the economy as a whole.</p> <p>Moreover, PEPTA creates a one-size-fits-all Federal mandate that interferes with State and local government recovery efforts already underway, and does not allow States and localities to adopt tailored solutions to meet their unique long-term needs.</p> <p><u>NAPO has routinely met with fellow stakeholders and Congressional staffers to discuss this issue. NAPO has also sent letters to the legislation's cosponsors to express concerns with PEPTA. NAPO will continue to express opposition to PEPTA, as NAPO strongly believes the legislation is imprudent and unnecessary.</u></p>
Support	S.822	4/25/2013	Patrick Leahy (D-VT)	The "Justice for All Reauthorization Act of 2013"	<i>A bill to protect crime victims' rights, to eliminate the substantial backlog of DNA samples collected from crime scenes and convicted offenders, to improve and expand the DNA testing capacity of Federal, State, and local crime laboratories, to</i>	4/25/2013 Referred to the Senate Judiciary Committee	<p>The bipartisan Justice for All Act of 2004 increased resources devoted to DNA and other forensic technology established safeguards to prevent wrongful convictions, and enhanced protections for crime victims. The Justice for All Reauthorization Act of 2013 reauthorizes and improves the programs created by this historic legislation, while remaining at current authorization levels. This reauthorization builds on the steps the Justice for All Act took to improve the criminal justice system and ensure public confidence in the system.</p> <p><u>NAPO has discussed this legislation with Chairman Leahy's staff and sent a letter of support for this bill to Chairman Leahy.</u></p>

Support	S. 896	5/28/2013	Mark Begich (D-AK)	The "Social Security Fairness Act"	<p><i>A bill to amend Title II of the Social Security Act to repeal the government pension offset and windfall elimination provisions.</i></p> <p>14 cosponsors</p>	5/8/2013 Referred to the Senate Finance Committee	<p>This bill strikes the Windfall Elimination Provision (WEP) and Government Pension Offset (GPO) formulas currently used to calculate Social Security benefits. Both were enacted in the 1980s because Congress was concerned Social Security paid unintended benefits to workers who had spent most of their careers in "non-covered" jobs. However, the formulas go too far and penalize workers with split careers who contributed a great deal to Social Security, but retire under their "non-covered" pensions.</p> <p>These provisions take hard-earned Social Security dollars out of the hands of retirees or their spouses – money that would otherwise be spent on essential goods and services and bolster the local economy.</p> <p><u>By significantly scaling back and reducing Social Security benefits for law enforcement officers and their survivors, as GPO and WEP do, officers and their families are provided much less protection against financial difficulties.</u></p>

Position	Bill	Date	Sponsor	Title	Summary	Status	Explanation/NAPO Actions
							<u>NAPO continues to support efforts to totally repeal GPO and WEP from Title II of the Social Security Act, and will aggressively pursue the passage of this legislation.</u>
Support	S. 933	5/13/2013	Patrick Leahy (D-VT)	The "Bulletproof Vest Partnership Grant Program Reauthorization Act of 2013"	<i>A bill to amend Title I of the Omnibus Crime Control and Safe Streets Act of 1968 to extend the authorization of the Bulletproof Vest Partnership Grant Program through fiscal year 2018.</i> 8 cosponsors	8/1/2013 Reported to the Senate for consideration	<p>This legislation would extend the authorization of the Bulletproof Vest Partnership (BVP) Grant Program through fiscal year 2018, and ensure that all of America's law enforcement officers are provided with the life-saving protection they need. The BVP Grant Program is a critical resource for state and local jurisdictions. Over the past decade, this vital program has enabled the protection of nearly a half million officers. However, while many officers are protected by bullet-resistant armor, an alarming number of officers, many in small departments across the United States, are not afforded this same protection due to local budget constraints.</p> <p><u>NAPO believes this legislation is essential to assist state and local law enforcement efforts to purchase bullet resistant vests for their officers.</u></p> <p><u>NAPO has discussed the importance of this legislation with numerous members of Congress and their staffs, and sent letters to Senate Judiciary Committee leadership (Chairman Leahy (D-VT) and Ranking Member Grassley (R-IA)) to express support for the reauthorization of this program.</u></p> <p><u>NAPO's efforts were successful, as the Senate Judiciary Committee advanced the legislation to the Senate as a whole for consideration by a vote of 14-3.</u></p> <p><u>NAPO will continue to aggressively pursue the passage of this important piece of legislation.</u></p>

Support	S.1172	6/18/2013	Barbara Mikulski (D-MD)	The "Law Enforcement Officers Retirement Equity Act of 2013"	<i>A bill to amend the definition of a law enforcement officer under subchapter III of chapter 83 and chapter 84 of title 5, United States Code, respectively, to ensure the inclusion of certain positions.</i> 0 cosponsors	6/18/2013 Referred to the Committee on Homeland Security and Governmental Affairs	<p>This legislation would ensure that all Federal law enforcement officers have the same retirement options, and that their pay and benefits conform to the Federal law enforcement retirement system.</p> <p>Federal law enforcement personnel are the country's first line of defense against terrorism and the smuggling of illegal drugs at our borders. These vital jobs must be filled by men and women able to meet the physical demands of their positions. To maintain this workforce, Congress designed retirement benefits to allow officers to retire earlier than other federal employees. That's why Federal employees classified as "law enforcement officers" (LEOs) are eligible to retire at age 50 with 20 years of federal service. However, thousands of Federal law enforcement personnel are not classified as LEOs and are subsequently not eligible for these enhanced benefits. This legislation would extend LEO status to all Federal employees who carry firearms and are involved in the investigation or apprehension of suspected or convicted criminals.</p> <p><u>NAPO supports this legislation, as these officers face the same risks and challenges as law enforcement personnel currently classified as LEOs. We need to ensure that all Federal law enforcement officers earn the pay and benefits that they deserve.</u></p>
Support	S.1354	6/24/2013	John Cornyn (R-TX)	The "End Sex Trafficking Act of 2013"	<i>A bill to amend title 18, United States Code, to clarify the range of conduct punished as sex trafficking, and for other purposes.</i> 1 cosponsor	6/24/2013 Referred to the Senate Judiciary Committee	<p>Every year, thousands of criminals prey on children and trafficking victims in the United States – purchasing illicit and coerced sexual acts on websites and on our streets. This legislation targets the predators who purchase trafficking victims for sex.</p> <p>This legislation strengthens and clarifies the Trafficking Victims Protection Act to ensure that sex trafficking perpetrators are prosecuted for contributing to modern-day-slavery. Support	H.R. 180	1/4/2013	Michael Grimm (R-NY)	The "National Blue Alert Act of 2013"	<p><i>A bill to encourage, enhance, and integrate Blue Alert plans throughout the United States in order to disseminate information when a law enforcement officer is seriously injured or killed in the line of duty.</i></p> <p>14 cosponsors</p>	5/14/2013 Passed in the House	<p><u>NAPO submitted a statement for the record in support of the National Blue Alert Act of 2013. House Judiciary Committee Chairman Bob Goodlatte (R-VA) publicly noted NAPO's support of the legislation during the House Judiciary Committee mark-up session and during his floor statement.</u></p> <p><i>For additional information on this legislation, please see S.357.</i></p>
Support	H.R. 401	1/23/2013	Richard Nugent (R-FL)	The "Justice and Mental Health Collaboration Act of 2013"	<p><i>A bill to reauthorize and improve the Mentally Ill Offender Treatment and Crime Reduction Act of 2004.</i></p> <p>32 cosponsors</p>	1/23/2013 Referred to the House Judiciary Committee	<p>The Senate Judiciary Committee's overwhelming support for the JMHCA indicates that members of both parties are ready to address this critical public health and safety issue. This legislation will help reverse the trend of criminalization of mental illnesses, help law enforcement officers stay safe when they are responding to mental health crises, and make our communities safer.</p> <p><u>NAPO will continue to express support for this bill by engaging members of the House of Representatives and encouraging them to</u></p>

To date, COPS has funded over 118,000 community police officers and awarded more than 40,000 grants to 13,300 state, local, and tribal law enforcement agencies, advancing community policing in all jurisdictions across the United States. <u>NAPO fully supports funding this vital DOJ law enforcement assistance program. NAPO has engaged members of Congress and their staffs to express support for this legislation. Additionally, NAPO regularly meets with COPS Office leadership to discuss needs and trends regarding the program.</u>
Support	H.R. 867	2/27/2013	Erik Paulsen (R-MN)	The "Metal Theft Prevention Act of 2013"	<i>A bill to prohibit and deter the theft of metal, and for other purposes. 3 cosponsors</i>	2/27/2013 Referred to the House Energy and Commerce Committee, House Judiciary Committee	<u>NAPO supports the Senate version of this legislation, which includes an amendment, submitted by NAPO, to ensure law enforcement officers are able to access information needed to solve metal theft cases.
