RE: Voltaire Williams CDC No. E17796

Dear Members of the Parole Board:

On behalf of the National Association of Police Organizations (NAPO), I am writing to express our strongest possible opposition to the parole of Voltaire Williams, who was involved with the plotting of the murder of Los Angeles Police Department Detective Thomas Williams.

NAPO is a coalition of police unions and associations from across the United States that represents more than 1,000 police units and associations, including the Los Angeles Police Protective League; 241,000 sworn law enforcement officers; and more than 100,000 citizens who share a common dedication to fair and effective crime control and law enforcement.

We vehemently oppose the release of Voltaire Williams, who was involved in the brutal ambush of Detective Williams while he was picking up his son from daycare on Halloween in 1985. Detective Williams had arrested Daniel Jenkins, an associate of Voltaire Williams, and testified in his robbery trial. In a desperate attempt to sabotage the trial and to get revenge against the detective for his part in the prosecution, Voltaire Williams, Daniel Jenkins, and the triggerman conspired to kill Detective Williams.

Voltaire Williams has never expressed remorse for his role in this brutal murder. He has clearly demonstrated that he has no respect for the criminal justice system or the law enforcement officers who protect the public. Moreover, the horror of the murder of Detective Williams, husband, father of two adult children, and son, would be compounded by the release of Voltaire Williams.

Voltaire Williams is scheduled for a parole hearing on March 9, 2014, at Solano State Prison. We urge your support and action to ensure that this killer remain in prison. If NAPO can provide any additional information as you make your decision, please feel free to contact me at: (703) 549-0775.

Sincerely,

William J. Johnson
Executive Director
