

# National Association of Police Organizations 2024 Fall Seminar ~ Media Relations and Officer Health & Wellness

October 20 - 22, 2024  
Omni Hotel Corpus Christi, Texas

The National Association of Police Organizations (NAPO), founded in 1978, remains America's fastest growing, most influential, national police organization. NAPO now represents more than 241,000 active law enforcement officers who belong to more than 1,000 police organizations. NAPO's member organizations include city, county & statewide organizations, many with memberships in the thousands. NAPO's Fall Seminar brings together the leaders of law enforcement associations and unions from across the United States to discuss the current and pressing issues facing law enforcement.

The seminar exhibit area offers a great opportunity for your company to meet NAPO delegates who recommend and approve equipment and services procurement for their police departments & associations. Sponsoring a social event at the seminar is also an excellent way to increase your company's visibility with NAPO members!
