Hon. Rand Paul  
United States Senator for Kentucky  
295 Russell Senate Office Building  
Washington, D.C., 20510

Dear Senator Paul,

The National Association of Police Organizations is a coalition of police unions and associations from across the United States that serves to advance the interests of America's law enforcement through legislative and legal advocacy, political action, and education. Founded in 1978, NAPPO now represents more than 1,000 police units and associations and 241,000 sworn law enforcement officers who share a common dedication to fair and effective crime control and law enforcement.

The men and women represented by NAPPO on are the front lines of law enforcement and put their lives at risk every day. There are many reasons why NAPPO endorsed President Trump in the last election but foremost is the state of law and order in our great nation. America faces a criminal justice crisis, criminal aliens, and gangs like Tren de Aragua have entered our country illegally and have committed terrible crimes against our citizens.

NAPPO supports President Trump's nomination of Kristi Noem for Secretary of Homeland Security. Governor Noem has a proven record of supporting the men and women of law enforcement and making the rule of law a priority.

We encourage you and your colleagues in the United States Senate to confirm Governor Kristi Noem as quickly as possible. Confirming Governor Noem will allow her to begin work immediately to restore justice in our nation.

Sincerely,

William J. Johnson, Esq., CAE  
Executive Director
